Chappy News

Hi Bunker's families,

Last week I had the pleasure of participating in online eSafety training. eSafety is a government run agency that provides education about online risks, as well as helping to get harmful content removed.

I highly recommend that all parents/carers take a look at the website (esafety.gov.au) and even enrol in a webinar. Cyberbullying can also be reported on this website. I will be putting up some eSafety posters around the school, detailing how to report cyberbullying. Please feel free to reach out to me if you have any questions about online safety.

Have a great week.
